

GC PARTNERS

What we do

We make it simple for 150,000 clients (and counting) to transfer money to over 125 markets globally. Last year we transacted \$6.8 billion, helping major international corporations, fund and bond managers, trustees and private clients. Providing solutions for foreign exchange, hedging, international payments and mass payments.

FX and International Payments

Almost \$7bn transacted last year

Over 150k happy customers

FCA authorised

6 offices around the world

We move money overseas. Quickly, reliably and securely, using great foreign exchange rates.

Whether you are buying or selling goods from other countries, or investing in the overseas growth of your own business we can help. It doesn't matter how large or small the payments are. From a substantial one off transaction, to regular payments you can rely on us.

One of our specialists will work with you to give you a first-class personalised service tailored to your specific needs. While our partnerships with tier 1 banks means you get access to both G10 & exotic currencies.

Currency made simple

At GC Partners your money transfers are easy, transparent and secure. Leaving you free to concentrate on your business objectives.

Your account manager can help you transfer money at the current exchange rate with a spot transaction. Or you can do it online, instructing your payment in minutes.*

Our mass payments solutions are easy, too. Just by uploading a file, you can bulk-pay suppliers or make regular high-volume payments. Use our FX and international payments services in conjunction with our mass payment platform to allow you to seamlessly upload your bulk payments in one easy to manage file.

*Debit card limit of up to £10k online

Currency services, tailor made for your business

- Arrange FX transactions directly with your account manager, or via your online account.
- Add and manage beneficiaries easily via your online account, instruct payments out, or use our bulk upload feature for mass payments.
- View balances access transaction history, statements and payment confirmations. Making audit trails easy.
- Increase security and reduce errors with multi-level payment authorisation. Give your team access to view, instruct, and sign-off payments with dual and triple authorisation.
